दूरभाष/Tel : 91-44-66783599 Fax: 66783487

### **Terms and Conditions**

- 1. Interested bidders shall submit their quotation in a single cover bid in CPP Portal along with an Authorisation letter, from APC / Schneider, pertaining to their identity as an authorised reseller or service partner of APC/Schneider products. The bidder must have their own service centre / maintenance facility in Chennai with 3 or more man power (details of man power list with contact numbers should be attached) and suitable address-proof of the firm must be enclosed with the bid. Bidders are requested to note that, without these documents, quotation will not be considered for evaluation. The Authorisation or dealership Certificate should be a valid one, pertaining to this year.**
2. The quoted price should be net price, inclusive of all taxes as per format **given in Annexure1**. Bidders are requested to make their own EXCEL file and Upload the price details in the CPP portal.
3. During the contract period, the exhausted batteries should be collected and disposed by the contractor as per Government norms and accordingly the bid price should be quoted. The quoted price should be valid **for a period of six months** from the date of placement of Rate contract order and it can be extended to another six more months on mutual consent. NCCR will issue supply orders to the lowest bidder, when requirement arises time to time, during the contract period.
- 4. The successful bidder should supply and install the Genuine / original batteries. Delivery within a week from the date of Purchase Order. The rate contract (6months price validity from the date of Rate contract) shall be placed to the lowest priced bidders based on item wise price comparison.**
5. Payment will be made within 2 weeks from the date of delivery and acceptance against your invoice along with IFSC bank details, as per the rate quoted through ECS.
6. The supplied batteries shall be labeled by the contractor for identification and for warranty proof. Bidders are requested to supply **batteries as per OEM's warranty period in their quotation.**
7. The supplier should deliver and install the new batteries in the UPS and dispose the exhausted batteries without any cost from NCCR as per the applicable Government norms.

**Sd/-**

**Head of Office**
